

## **BIKE VICTORIA SOCIETY**

### **Treasurer Position**

Board Director

Bike Victoria Society seeks a community leader with experience and expertise in management and business strategy – plus passion for the environment, sustainability, and human powered transportation – to join the Board of Directors as Treasurer.

We are looking for someone who has professional accounting and financial management competencies – ideally a CPA or an individual working towards this designation.

#### **Background:**

Bike Victoria Society offers an exciting, dynamic Board position in a new Society arising from the formal merger in 2019 of the Greater Victoria Cycling Coalition and Greater Victoria Bike to Work Society. This merger has expanded its financial base, increased its membership, and provides a platform for launching new innovative programs in 2020

Our Society has deep historical roots and long-term success – over 25 years - in Greater Victoria. The Society organizes and delivers a wide variety of transformative cycling experiences for children and adults in our urban environment. In 2019, our largest program – Bike to Work week – had more than 10,000 individuals participating in over 700 workplace teams.

With financial support from community, business, and government partners, we offer multiple programs that engage community members and create a culture that urges safe transportation choices, respectful sharing of streets, sidewalks and trails, and supports government actions that improve environmental health.

If you are a self-motivated individual who is passionate about the future of Greater Victoria and wants to help the Bike Victoria Society achieve its goals, please submit an application for Treasurer to the Bike Victoria Society.

To apply, candidates are required to provide a resume and cover letter in .PDF format. Please submit applications to: [admin@biketowork.ca](mailto:admin@biketowork.ca)

#### **Application due date: February 21, 2020**

The Board of Directors is committed to recruiting and supporting skilled candidates for the Board that reflect the diversity of Victoria.
